### An Ideal Smile Is Uniquely Yours

Ideal. A conception embodying perfection is best expressed by a trained eye that can incorporate what is unique about you in the flawless creation of an ideal smile. Relax in a soothing, spa-like environment overlooking North Dallas, complete with massage chairs and aromatherapy, while Dr. Mary Swift utilizes her extensive experience, laser technology, advanced training, empathy, and aesthetic skills to analyze and create a smile uniquely designed and ideally suited to your face. The result is a dazzling smile that is absolutely contagious!

- What exciting advances are on the horizon in your field/specialization?

The use of BOTOX® by dentists to alleviate the headaches and other symptoms of TMJ – we've seen very positive results in our office already!

- What are some health/beauty words of wisdom you would tell everyone out there?

Studies show the bacteria that cause gum disease can cause strokes and heart disease – get your gums checked for periodontitis and have regular professional cleanings.
